Dear Students and Families,

We are sending this letter to inform you about the opportunity to participate in the College Credit Plus (CCP) Program. CCP is Ohio's dual enrollment program that allows your child to complete high school graduation requirements while pursuing a higher education pathway to an in-demand career. The higher education institution will share an enrollment roster and final course grades with the high school each semester.

On Monday, January 12, 2026, at 2:30 pm, Cascade Career Prep will provide a virtual information session regarding College Credit Plus and what is required to participate in the program. This session will be online only and can be accessed via the link below:
