Our Program

Skyway Career Prep High School offers its students a standards based, computer assisted learning environment where teachers guide and support our drop out recovery students as they work toward a high school diploma. The staff at Skyway includes Properly Licensed Teachers who engage students in learning best practices. Students can work at their own pace to recover credits and get individualized support they need.

As a student enters Skyway Career Prep High School they participate in a critical evaluation of their academic abilities and learning skills designed to create a tailored plan for learning. Past credits are included in the student's learning plan. STAR scores and other pertinent data are used to create a clear road map to their diploma completion and post-secondary goals. Our curriculum is mapped to Ohio's Learning Standards for all core courses. Skyway was in attendance 168 days/924 hours of instructional time for the 2024-2025 school year.

Additional Instructional Programs

Skyway Career Prep High School is committed to providing quality educational services for all students enrolled in our school. The delivery of special education services is aligned with Skyway's mission and goals. The staff collaborates to assist each student to reach their full potential, and to become a contributing, successful member of their communities. We direct students to achieve academic skills while facilitating social and emotional development, with a goal of becoming lifelong learners.

Skyway Career Prep High School provides special education staff to meet the individual needs of students with disabilities. Students with disabilities and other special needs are served cross-categorically and in a variety of settings with varying levels of support based on the student's individual need. We recognize that all of our students with disabilities are general education students first.

The Ohio Auditor of State has not yet audited the figures presented above. However, the school does receive a regular annual audit performed by the Auditor of State. Released audit reports for the school can be viewed by going to the Auditor's website at <http://www.auditor.state.oh.us> and clicking on "Audit Search."

We strive to work with staff and stakeholders to develop and implement services in the general education classroom. The majority of students spend the greater part of their day within the regular classroom. Skyway is committed to the inclusion model of special education.

Skyway Career Prep High School goes beyond traditional curriculum and instruction. We individualize learning with our career programs. Skyway offers a comprehensive core curriculum that is embedded with industry recognized credentials, soft skills, and job readiness skills to prepare students for employment and volunteer opportunities of which Skyway initiates. These programs and opportunities offer our students broad experiences including job-seeking techniques, interviewing skills, resume writing, and character education. For the students' personal well-being, we place a great emphasis on lifeskills including consumer credit and insurance, how to find a place to live, budgeting, buying a car and dealing with employment challenges. Skyway Career Prep High School's experience provides more than a high school diploma. We measure our success not just in terms of academic achievement, but also by our students' personal and professional growth. We inspire students to do their best – in the classroom and in the community. The individual achievements of our students become successes for our communities, because our graduates enter the workforce as educated, civic-minded, and productive members of society.

Graduation Rate

Skyway Career Prep High School offers students who are at-risk of dropping out, or who may have already dropped out of traditional high school, the opportunity to re-engage and earn a state-recognized diploma. Students who would otherwise opt for a diploma equivalent have the opportunity to graduate from Skyway Career Prep High School on time. The State of Ohio calculates the number of students who enter the 9th grade for the first time, adjusts for population, and formulates its projection of the number of students who actually earn a diploma four years later in determining a school's graduation rate. Based on the state's calculations, Skyway Career Prep High School 4th, 5th, 6th, 7th and 8th year graduation rates for the 2024-2025 school year are shown to the left. Skyway Career Prep High School continues to strive to increase that percentage every year and is proud of our results considering these students would not have graduated otherwise.
