December 16, 2025

Dear Students and Families,

Black River Career Prep High School is pleased to share information about the opportunity to participate in the **College Credit Plus (CCP) Program**. CCP is Ohio's dual-enrollment program that allows students to earn both high school and college credit at the same time. Through this program, your child can complete high school graduation requirements while pursuing a higher-education pathway aligned to an in-demand career field. Each semester, the partnering college or university will provide the high school with enrollment rosters and final course grades.

We will host a **College Credit Plus Information Session on Wednesday, January 7, 2026 at 2:00pm. The presentation will begin promptly at 2:30pm.** During the session, we will review program requirements, eligibility, and next steps for students interested in participating.

If you are unable to attend in person, we will be offering students and families to virtually attend via Zoom, starting promptly at 2:30pm. Please use the link below:
